RESPONSE TO NOTICE TO FILE MISSING PARTS
OF NON-PROVISIONAL APPLICATION

In response to the notification letter mailed July 23, 2004,
applicant responds as follows:

Please incorporate the copy of the Declaration which was
originally filed with this application for the one which apparently
has been lost by the Patent Office.

REMARKS

Enclosed is applicant's check in the amount of \$65.00 as an
additional fee for a declaration surcharge. Also enclosed, as
noted above, is a copy of the declaration which was originally was
filed with all of the original papers of this application. This

1 declaration clearly refers to the previously-filed provisional
2 application Serial No. 60/468,969, filed on May 9, 2003.

3 Applicant respectfully submits that the declaration was included
4 with all of the original papers for this application, filed by
5 Express Mail on April 30, 2004, and received in the Patent Office
6 mail room on May 1, 2004.

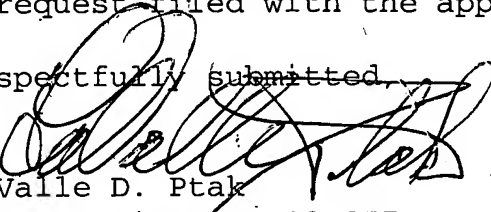

7 Enclosed with this correspondence is a copy of the Notice to
8 File Missing Parts of Non-Provisional Application, clearly
9 referencing the above identified application. In addition,
10 applicant is enclosing copies of two other notices, also mailed on
11 the same date, July 23, 2004, namely a "Withdrawal of Previously
12 Sent Notice" and "Decision Granting Request to Convert to Non-
13 Provisional". Applicant respectfully submits that the paper
14 entitled of "Withdrawal of Previously Sent Notice" was confusing,
15 since it refers to a notice allegedly mailed on June 19, 2004, but
16 no such notice was ever received by applicant.
17

18 In view of the foregoing, applicant respectfully submits that
19 the "Notice to File Missing Parts of Non-Provisional Application"
20 is incorrect, or inappropriate. Applicant respectfully requests
21 refund of the late fee surcharge which is enclosed herewith, since
22 applicant respectfully submits that all of the necessary papers
23 were filed together at the time of the filing of the application.
24 Applicant attempted to resolve this matter by a telephone call to
25
26

1 Janice L. Tippet (703)308-0910; but applicant only succeeded in
2 reaching a voice mail box, and there was no return of applicant's
3 message.

4 Finally, a filing receipt of the present application was sent
5 to applicant, dated July 23, 2004, referring to missing parts and
6 also indicating that no non-publication request had been sent. As
7 with the declaration mentioned above, applicant also submitted a
8 non-publication request, a copy of which is enclosed with the other
9 papers mentioned above. The filing receipt should be corrected to
10 state that a non-publication request has been made, since a proper
11 one was included with the original papers at the time of filing
12 this non-provisional application. A copy of the filing receipt
13 marked with the correction is enclosed, along with a copy of the
14 original non-publication request filed with the application.
